MINERS ARE RIOTING.

Armed Men Parade the Streets at Garrett, Pa.

A Horror Connected With the Strike Was the Cremation of Two Women and Four Children in Their Home.

Somerset, Pa., April 20.—An outbreak even more disastrous than the riot at Roswell last January has been hourly expected at the town of Garrett, the scene of the mining operations of the Garrett Coal Co., the Somerset Coal Co., and other lesser operations.

Trouble has been brewing there ever since the inauguration of the miners' strike five months ago. A number of the striking miners at Garrett own homes there, but recently the Garrett Coal Co. erected a number of houses and the bringing in of new men to occupy those houses and take the places of the workers in the mines has worked the latter up to a high state of excitement and resentment, and for the last few days the town has been a veritable mine of indignation. The strikers have been parading the streets openly armed, and they have prevented the moving of the household goods of incoming miners from the railroad station to the new company houses.

A horror that may or may not be connected with the strike situation at Garrett was the burning to death of two women and four children in their home at that place between the hours of 2 and 3 o'clock Tuesday morning. The victims were Mrs. Rosanna Meyers, her two daughters, Lucinda and Annie, aged 30 and 8 years respectively, and her son, aged 5 years. The two other victims were young children of Lucinda. The house was a one and one-half story log building and the women and children were sleeping in the upper story. The origin of the fire is unknown, but rumor connects it with the troubles growing out of the miners' strike. Evidence of the fire was discovered on the interior of the building while it was burning. Meyers was a miner, and until recently worked for the Somerset Coal Co. Late in the morning he has not been working, and it is said he has been supported by the miners' union. The strikers lay the origin of the fire to a number of Italians who are working for the Garrett Coal Co., but what motive the foreigners could have for such a crime has not developed.

Strikers armed with Winchester rifles paraded the streets Tuesday. They say this demonstration is to prevent the Italians from leaving the community before the coroner's inquiry has been completed. They say that in doing this they are acting under the instructions of the township constable.

When Sheriff Coleman reached Garrett Tuesday evening with his deputies he found no alarming condition of affairs, though the people gathered in large numbers about the station, having learned that he was coming. The sheriff's first work was to arrest two Italians, who were charged with setting fire to the Meyers house. The only evidence thus far against the two Italians was a statement made by Meyers in which he alleges that they called at his house several days ago to buy some butter, and that when told that Meyers would not sell butter to scabs, they left, swearing vengeance. The idea that the Italians committed this crime has taken hold of the people of Garrett pretty generally and the feeling against them is running high, but there are those who look upon the charge against the Italians as a move on the part of the strikers to get rid of the foreigners who have taken their places in the mines.

A YOUNG FILIPINO.

Much Rejoicing Among the Members of the Negro Tribe.

St. Louis, April 20.—There is much rejoicing among the members of the Negro tribe, who form part of the Philippine exhibit at the World's fair, over the birth of a three-pound baby to Mr. and Mrs. Fayas, the former the chief of the tribe. The mother and father are not more than four feet tall and the baby is considered quite large for a Negro. It has been named Louis F. Francis Eihinaug. The last name is its mother's, which, according to the Negro custom, it assumes instead of its father's.

FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH APPELLATE COURT OF KENTUCKY:—I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it became my duty to try a number of criminal cases, which have become a part of the State's history and at a most critical time. As Judge of the State Fiscal Court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new Constitution, as well as to construe the present Constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchise under law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.

Very respectfully,
JAMES E. CANTRILL.

FOR CONGRESS.

We are authorized to announce W. P. Kimball, of Fayette county, as a candidate for the Democratic nomination for Congress from Seventh District, subject to the action of the district convention to be held in the city of Lexington on Thursday, May 12, 1904.

I am a candidate for re-election to Congress from this District, subject to the action of the Democratic party. I believe in getting as close to the people as possible, and it was my desire that a primary election be held to select a Democratic nominee for Congress, so that every Democrat could have the privilege of going to his precinct voting place and expressing his choice, but my opponents desired mass conventions at the county seat, and the committee so ordered.

I am now serving my second term as your Representative. I have endeavored, to the best of my ability, honestly, faithfully and conscientiously to do my duty. It is my highest ambition to secure legislation for the relief of the farmers, who have been so grossly imposed upon by unjust laws, and I feel that my experience has fitted me to render valuable service on this line, if I am permitted to continue to represent my District.

My official duties in Washington will prevent me from making an active personal campaign in all the counties of the district, therefore, I will have to rely on my friends to take care of my interest, which I have an abiding faith they will do. Trusting my service as a member of Congress meets with your approval, and hoping my candidacy will receive your valuable aid and support, I am

Very respectfully yours,
SOUTH TRIMBLE.
